

Are you a Member? Core Sound Needs You...

If you are, THANK YOU. Your support has made possible all that you have read about and seen today. Since 1992, the membership of the Core Sound Waterfowl Museum (and now Heritage Center) has been growing to meet the needs of the organization and facility, but more importantly to meet the needs of our communities. Thank you for understanding the role of this museum in the history of Down East and for making your commitment to preserving our cultural heritage and protecting our natural resources. Together we are making a difference!

If you are not a member, THANK YOU too ... for reading, listening, seeing and giving us the opportunity to invite you to become a member today! What you EXPERIENCE today is the result of literally thousands of people giving, working and joining in our efforts. We need you now more than ever. As we making steps toward completing the facility, expanding OUR COMMUNITY programming and growing the organizational infrastructure we need to meet the challenges of this facility, we need to prove to our funders that our shared vision of self-support is real. Even more importantly, we have work to do and THAT TAKES ALL OF US!

Membership is the lifeblood of our operation. Without members there would be no museum, no weekend celebrations, no school programs or documentary projects. The work WE are doing is important and takes us all ... So whether you are a charter member or just joining today, you are a vital part of what you see and what this place is becoming. We look forward to many years ahead as we continue sharing the stories and carrying the message forward about this place, our way of life and what we all must do to keep it our heritage living in the communities of Core Sound.

YES I want to be an active partner in preserving the waterfowl heritage of Eastern North Carolina **New**
